Dear Ms. Guntzle:

I am writing at the suggestion of Mr. Lynn Franks to express the gratitude felt by members of the Newark Community Project for People with AIDS for your kind offer to perform the song as a disco dance or performance/singing efforts.

We have discussed your offer with proprietors of the Club Eden (24 East Park Street, Newark, on the first floor of the hotel Carleton) and they too are very excited. We have offered three alternative dates, as follows:

Sunday, August 26th;  
 Thursday, August 29th or  
 Sunday, August 31st

While all three dates are acceptable, we would like to August 26th as it would give us more time to promote the event and sell tickets.

We anticipate the doors of the Club Eden would open at 6 p.m. and disco dancing would run from that time until 3 a.m. except for showtime. Showtime we would expect to be running from approximately 9:30 to 10 p.m., depending upon the availability of any other performers such as a local artist from Newark we might recruit for the same disco basis) to provide a brief warm-up show.

As you may gather from recent mailings, this event is a very important step in terms of our ability to raise public consciousness, stimulate awareness, and recruit additional volunteers, as well as raise much-needed funds. Your generous offer to provide direct assistance to our efforts is very much appreciated.

For promotion purposes, we would appreciate receiving several black and white photos of you (perhaps four 4 x 6's and one 8 x 10) and a biographical sketch for which we would be happy to compensate you.

If you have any questions or suggestions please contact me at 824-3900 or 483-3477. In any event, please inform me on or before August 9th as to your possible choice of date.

Many thanks again.

With Warm Regards,
